21st October 2024

Dear Parents and Carers,

As a part of your child's education at Stockport Academy we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that over the next half term, starting Monday 28th October, your child's class will be taking part in lessons which will focus on puberty. We will cover the physical and social changes during this time, consent and boundaries. Pupils will also have opportunities to ask questions that help prepare them for relationships of all kinds in the modern world.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. All PSHE teaching takes place in a safe learning environment and is underpinned by our school ethos and values, as well as being crucial to our Future Me toolkit.

If you would like to find out more or discuss any concerns, please do not hesitate to contact me on the main school number or enquiries email.

Thanking you in advance for your support.

Yours sincerely,

Mrs J Thandi

Leader of Religious and Social Studies, CEIAG and Future Me

Principal: Mrs Janine McCann BA MEd NPQEL
