

05th February 2025

Dear Parent/Carer,

Mocks and Period 6

Please find attached the mock timetable for the upcoming mock exams, which will take place from **3rd March to 17th March**. This timetable is designed to help students plan their revision effectively. They will receive an individual timetable closer to the exam dates.

These mock exams are important as they provide students with an understanding of the grade they may achieve in their real GCSEs, which begin on **6th May**. The mocks also highlight areas where students need to focus their revision and allow teachers to tailor the remaining lessons to address any gaps in knowledge.

Thank you for supporting your child in preparing for these exams. I know that exam periods can be a stressful time for everyone in the household, but please encourage your child to take these mocks seriously.

To further support students in the lead-up to the exams, we will be making some changes to how **Period 6** operates after the half-term break. We will expect every student to attend **every** Period 6 session, as outlined below. This will be in line with what we have done in previous years. Period 6 sessions will focus on exam questions and techniques, so it is essential that all students attend in order to fully benefit from the support provided.

	Monday	Tuesday	Wednesday	Thursday	Friday
Week A	Block C		Science: S English: A	Maths: S Science: A	Block D
Week B	English: S Maths: A		Block B	Block A	

During the exam period, we will implement a tailored **Period 6** and **form time** schedule, which will allow students to revise for the exam they have the following day or that day. This updated plan will be made available on Arbor in the coming days.

Thank you again for your continued support. We are confident that these additional revision opportunities will make a positive impact as students prepare for their exams.

Mr Walker
Vice Principal

Year 11 mock 2 exams – March 2025

Date	Start	Len	Exam title	Start	Len	Exam title	Start	Len	Exam title
3 rd March	08:55am	2 hours 2 hours 1hr 45 mins	Art Group 1 3D Design Group 1 French Listening and Reading	11:15am	1hr 20 mins	History – Medicine	1:55pm		
4 th March	08:55am	1hr 45 mins 1hr 15 mins	GCSE Biology Combined Science – Biology	11:15am	1hr 30 mins	Mathematics – non-calc	1:55pm
