3<sup>rd</sup> April 2025

Dear Parent/Carer Year 11,

I have been incredibly proud of our students over the March mock series, students have worked exceptionally hard to Gain a Grade and developed some excellent revision habits. Students have demonstrated diligence and ambition and really engaged with our Gain at least a Grade strategy. Students should be aware from their March mock exam result certificate the number of marks needed to reach the next grade, in some cases this is again very few. Teachers will continue to work with students to identify key skills and knowledge that is specific to them and will help them to reach the next grade by using stickers in exercise books, which of course are also an excellent source for revision.

We have spoken to students about the importance of continuing this hard work over the course of the next 3 months, this is because ongoing revision supports students in committing information to their long-term memory over time, helping them to remember and recall information more easily. This will also help to build on their achievements so far and also build confidence – we would expect that students Gain a further Grade between March and the final Summer series with continued application, creating exciting futures and enabling the widest options and choices. Students who revise over time find the exam series less overwhelming.

If there are any resources or revision guides that are needed to assist in further revision they should collect these from Mrs Duffy, Miss Porter or Mrs Dickinson at no cost, this includes revision cards, revision clocks or any stationery. Students should have already received revision guides and materials in all subjects, in addition to our online learning platforms to support students; SENECA, SPARX, Language Nut and Pearson Revise – links to these resources can be found on our website at [Stockport Academy > Students > Independent Study \(stockport-academy.org\)](https://www.stockport-academy.org). Pearson revise has access to all copies of electronic revision guides from awarding bodies for all subjects. Our new Success Suite is available to use until 5.00pm each day for year 11 students to access resources and a quiet space for revision.

Over the Easter holiday there will be additional sessions to support revision and coursework completion that students are expected to access – please see timetable attached.

I would like to take this opportunity to remind your child that after the Easter holiday there are only 2 school weeks left until the final external exam series begins on 6<sup>th</sup> May 2025. This final timetable has been shared with you and is enclosed.

Principal: Mrs Janine McCann BA Med NPQEL

United Learning comprises: UCST Registered in England No: 2780748. Charity No. 1016538) and ULT (Registered in England No. 4439859. An Exempt Charity). Companies limited by guarantee. VAT number 834 8515 12.

Please feel free to contact either myself or the Year 11 team; Mr Farnworth, Miss Porter, or our senior team if there is anything that we can do to assist yourselves or your child in ensuring that they fulfil their potential in year 11.

Thank you in anticipation of your support.

Yours sincerely

A handwritten signature in black ink, appearing to read 'J McCann', written over a light grey rectangular background.

Mrs J McCann  
Principal
