Dear Parent/Carer,

We are changing the cash loaders in school which allow students to put money on their accounts to buy food.

This will mean that students will not be able to add cash to their account in school between Friday 5th July and Friday 12th July. Cash will need to be added outside of the above dates or added via ParentPay in the usual way.

The number of pupils using the cash loader has reduced, with people instead opting to top up students' accounts using ParentPay. If you have not activated your ParentPay account previously, an individual letter containing your unique code will be sent out this week.

If you have any issues logging into your account, please email enquiries@stockport-academy.org for support.

Thanks in advance.
